Officers Reports

Seneschal: Elizabeth

Joyous greetings!

We have had a busy January, with a great demo at Vancouver Pointe, and getting ready for Founding Revel next week. We have had two wonderful candidates step forward for the office of Red Trident Herald, and the new herald will be named shortly. There are several other offices that are looking for deputies currently, including exchequer, chatelaine, web minister, and arts and sciences. We are also looking for an event steward for Stormgods. We have some very exciting things coming up in the next few months! Stay tuned!

Once again, not too much to report. Laina hosted a very small landschkenect costuming Get together, but it wasn't really publicized, so it might not count.

Chatelaine: Ismay

The New Kingdom Chatelaine has reached out to me for my current information.

We had one event in January, the demo at the senior living center.

It was well attended. I spoke to several residents and helped encourage them to try the activities.

Three of the people from the demo came to social night last week and are planning to attend Scribal.

Greetings Joyful Baron & Baroness Stromgard, Officers and Populous!

Stromgard Scribal Nights have restarted with the new year. Our January Scribal was warm and fun. Next Scribal night is 4th Thursday in February, the 26th at 7pm.

We will have new charters soon. Thank you to my deputy, Gideon, for his work on our new Silver Sea Star design, to be unveiled after Founding Revel. If you would like to design a charter or an original to be given out by Baron Artus & Baroness Saeunn, please reach out to me at stromgard.scribe@antir.org.

Q4 report was submitted and a copy sent to our Senechal.

I have submitted a reimbursement request for printing charters, bookmarks and thank you cards to our Exchequer for under \$20.

An intro to painting class was held at our demo at the Vancouver Pointe on 1/31 by Dragon's Mist Scribe Safiyya bint Khalid. Thank you for stepping in and making that activity a success! Thanks are also in order for the assistants from Cindy/Rhoxane Far Traveler, Lissette de la Rose, and Sithmaith ingean Shtemni.

Looking forward to Founding Revel and Stromgard Hearts the Arts.

Um... too wet out to do anything, so nothing happening in Archery at this time.

Always on the lookout if anyone knows someone with a barn or horse arena in the general area that might be willing to let us hold practices there. I appreciate Gaera very much for letting us use the space at her house for archery, and that is the current plan, but I am ALWAYS on the lookout for someplace that is: Covered

Lit at night (or COULD be lit at night)

I am happy to set up and take down bales for targets every week if we could have these things because it means we could practice almost year round. No such luck at this point, but keeping my ears and eyes open for something like this.

In Service,

Gideon Finlay

The events to the left are paid events that require garb unless otherwise noted. Single day events typically charge a gate fee between \$25-45. Each event will have more details available (including schedules, pre-registration links, and fees) on the [An Tir Events web page](#)

If you do not have garb but would like to attend, alert your Chatelaine and arrangements can be made. Most events offer "Gold Key," which is a collection of appropriate garb available for attendees for no additional charge. Check with the event steward or local Chatelain to find out if Gold Key will be available for an event.

Social nights, practices, arts and sciences nights, etc. are more casual (modern clothing, usually free to attend) but if there is a class or workshop, the host may charge a fee for supplies. You may always attend to simply observe and socialize without payment regardless.

The schedule of social nights and practices are available on the other sheet.

The Tri-Baronial Treaty signed in 2013 (or 48 Anno Societatis) binds the Baronies of Stromgard, Dragon's Mist, and Three Mountains in a communal relationship of support, shared land, and mutual attempts at conflict-free scheduling whenever possible. For this reason, all members of the populace of any Barony are welcome to participate and compete as they'd like in neighbor baronies. Do not feel compelled to keep yourself within the bounds of your local barony, and consider every citizen of our lands a neighbor. In short, feel free to attend anything on the schedule, at any time, for any reason, regardless of where you live or how long you've been playing. We'd love to see you!
